Terms and Conditions for Cremation Authorization Form & Final Disposition Agreement

I understand and agree that by signing on the reverse side of this page that I fully agree with the following:
I hereby certify that I am the legal owner or designated representative of the legal pet owner.
I have authorized the Cape Coral Pet Crematory, LLC. (herein called "CCPC") and/or one of its affiliated companies to care for my pet as indicated on the reverse side of this page.

_____ I have chosen to have the cremated remains (herein called "cremains") returned to me. I understand that this will be a **Private Cremation** that will include my pet having a unique identification number that will accompany my pet throughout the cremation process and it assures the integrity of the cremation, meaning that my pet will be cremated by itself.

Cremation is performed by placing an individual pet within the cremation chamber. The body will be totally and irreversibly cremated by prolonged exposure to intense and direct flames. Upon completion of the calcine cycle, all substances are consumed or driven off, except bone fragments (calcium compounds) and metals. The cremains (consisting of bone fragments, metals, etc.) are then raked from the chamber. The cremated remains will be separated from most metals to which may be affixed bone fragments or other residue. These materials will be disposed of by CCPC in a nonrecoverable manner. The cremated remains are then mechanically processed (pulverized). Once processed, the cremains are then placed in a sealed bag with a label containing your pets name and its unique identification number, then encased in a specific urn. Unless a suitable container is purchased for the cremated remains of the deceased, the CCPC will place such cremains in a container which is designed for short-term use and not recommended for shipment. The CCPC makes a reasonable and prudent effort to remove and recover all of the cremated remains from the crematory chamber, processing equipment, and other subsequent tools or containers. It is impossible to remove or recover all cremated remains; some bone particles and other residue will remain on or within the equipment. It is further impossible to guarantee or warrant that some bone particles or other residue could not possibly be commingled with those of previously cremated remains.

I understand that CCPC will hold the cremains for no longer than 120 days, during which time I or someone on my behalf will retrieve them. If no arrangements are made for the final disposition, release or shipment of the cremains, and if the CCPC is unable to contact me using the information that I have provided, thereafter the CCPC is authorized and directed to dispose of the cremated remains in any manner it may deem suitable.

_____ I have chosen **NOT** to have my pets cremains returned to me. I understand that my pet will become part of a **Communal "Group" Cremation**, which is when your pet is cremated along with multiple pets and the cremains are not returned. I understand that these cremains will be irretrievable and will be properly disposed of in accordance with local ordinances and/or discretion of the CCPC.

I hereby release and shall indemnify and hold harmless the CCPC and its successors, assigns, sister, parent and subsidiary companies and their respective officers, directors, shareholders, employees and agents from any and all liability, claims, suits damages arising from or relating to the handling, cremation, processing and release of my pet and/or pets cremains.

I acknowledge that the CCPC did offer me and/or supply me with a full copy of this Cremation Authorization Form & Final Disposition Agreement.

I understand and agree that the CCPC's liability arising under this agreement shall be limited to, and shall not exceed the amount paid to the CCPC for my pet's cremation and, further that the CCPC shall not be responsible for any indirect, incidental, special or consequential damages I/we, my family, my affiliates or companions may suffer or claim, including without limitation, damages for emotional distress.

I acknowledge that the CCPC shall not be liable for any loss or delay resulting from any events outside of its control, including without limitation, acts of god, fire, national disaster, terrorism, war, labor stoppage or material shortage.

I agree that this Cremation Authorization Form & Final Disposition Agreement shall be governed by the laws of the State of Florida. Court appointment shall be at Lee County Clerk of Court in Fort Myers, Florida.

In the event that CCPC or its representatives have to initiate a collection against me, I agree to pay the costs of the collection, including attorney's fees, accumulated storage fees, and lost or accumulated wages and fees for the CCPC.
